Elaine Kissel, Ph.D.
Clinical Hypnotherapist

— HOW IT WORKS —

Elaine has created highly sophisticated and effective methods that reveal the source of your problem and the techniques to eliminate them for good. Using your personal psychic profile, she designs a process exclusively for you through which you develop the kind of control that is natural, easy and comfortable. No more struggling, no more conflict about yourself and your behavior. The formula for your individualized hypnotherapy program is based on Elaine's evaluation of your problem and personal needs. The two hour process of determining what kind of hypnosis, how much and for how long, and what other processes may be necessary for your success includes an in-person interview with Elaine.

Dr. Kissel's hypnotherapy is for individuals serious about making permanent change. No one shot, group, or "canned" hypnosis. Evaluation appointments are by pre-paid reservation only. Use credit card over the phone.
