

I'll be 14 next June 12. I'm in eighth grade, at East Junior High School. Most of my hobbies are sports--my favorite are baseball, water skiing and snow skiing.

Steve is an active 13-year-old who finds time in his busy life to deliver the FARMINGTON ENTERPRISE & OBSERVER. In fact

he has delivered it so well during the past year that he has earned the title "Carrier of the Year."

THE NEXT TIME your Observer carrier stops at your door, give him a few words of encouragement. Rain or shine, he brings you the changing story of your hometown twice each week.

October 10 is National Newspaper Boy Day!
