

Our 1986 Carriers of the Year are...

PICTURE PERFECT

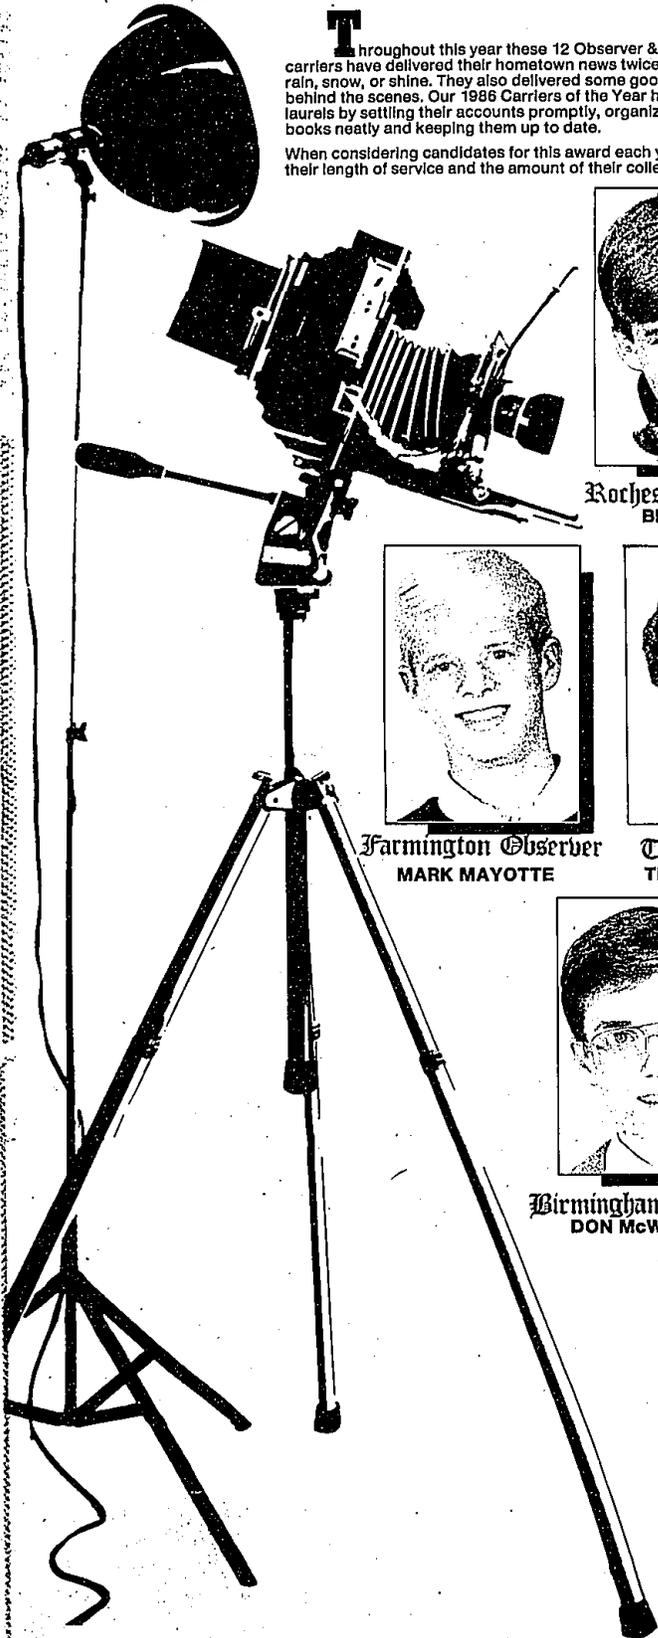

Throughout this year these 12 Observer & Eccentric carriers have delivered their hometown news twice each week, rain, snow, or shine. They also delivered some good, hard work behind the scenes. Our 1986 Carriers of the Year have won their laurels by settling their accounts promptly, organizing their route books neatly and keeping them up to date.

When considering candidates for this award each year, we check their length of service and the amount of their collections. We also

make sure they've been Carrier of the Month. These young people represent diligence, character and the kind of commitment to their work that will make the difference in whatever they choose to do with their lives.

To say "Thanks" we've given each of them an engraved trophy, congratulated them with a dinner, and printed their pictures in the newspaper they deliver so well.

And we've enjoyed every minute of it.
