

Office park christened

Tenants will begin moving into the first (above) of three buildings in the Brookfield Office Park, which opened recently at 31500 Northwestern Highway, Farmington Hills. Developers are Elkin Equities Inc., Southfield. The 400,000-square-foot office park was designed by the Troy architectural firm,

Minoru Yamasaki and Associates. The main building has 97,000 square feet. The building's classic form is constructed of reflective glass and limestone. Marble, granite, oak and bronze are used in the interior spaces to provide the backdrop for artwork.

City approves car purchases

The city of Farmington will buy three new patrol vehicles and two public safety administrative vehicles for \$53,900.

The city council voted Nov. 17 to buy the 1987 vehicles through the

Oakland County Department of Purchasing. The low bid for police patrol vehicles was from Mike Savole Chevrolet, Troy. The administrative vehicles will be purchased through Art Moran Pontiac/GMC, Southfield. Four cars are being turned in to be

sold at state auction, officials said. One vehicle will be transferred to the Department of Public Services.

Money for the vehicles will be taken from the General Fund and the Water and Sewer Fund budgets.
