WE'RE FIGHTING FOR YOUR LIFE
American Heart Association

YOU CAN'T SEE IT.
FEEL IT. TASTE IT.
SMELL IT.

BUT HIGH BLOOD PRESSURE CAN HAVE A DRAMATIC EFFECT ON YOUR LIFE.

High blood pressure, or hypertension, is a disease. A potentially dangerous disease. It can lead to heart disease and stroke. As many as one in four American adults has high blood pressure. But because it is virtually symptom free, as many as 17 million adults have an increased risk of heart disease without knowing it.

But there is a simple, painless procedure to find out if you have it. Get it checked. Today. And keep it checked. It may be the best thing you ever did for yourself. You never know.
