

Travel around the world through cable TV

"Around the World With Helga Miller" is a new television series produced by residents Terry Dean and John Schiappacasse.

The guests will take viewers around the world as hostess Helga Miller encourages them through spontaneous conversation.

In the first show, viewers will travel to Pakistan through conversation with Dr. Riaz and Shala Ahmed. Guests are encouraged to share their artifacts and national language.

The second show will feature families from Finland. All the families belong to the Finnish Center of Farmington Hills. Guests will be Maria Hill, Sineka English and Rich Niemisto.

"Tri Outlook" news producer Ellen Doman welcomes Robin Bryson as an associate producer. Robin will help coordinate stories from reporters and press releases.

She is looking for residents interested in gaining news reporting experience as volunteers for the "Tri Outlook News."

Students may secure an internship through the cable commission and receive credit for such involvement. For more information, call 473-7267. Metrovision of Oakland County's public-access programming for the week of Dec. 8:

A Positive Point About Breast Cancer.

Now we can see it before you can feel it. When it's no bigger than the dot on this page.

And when it's 90% curable. With the best chance of saving the breast.

The trick is catching it early. And that's exactly what a mammogram can do.

A mammogram is a simple x-ray that's simply the best news yet for detecting breast cancer. And saving lives.

If you're over 35, ask your doctor about mammography.

Give yourself the chance of a lifetime:
