Pennsylvania House's best selling suites and accent pieces at bonafide, proven savings of at least ...

IMPORTANT! READ EVERY WORD:

Although this is a peak shopping season, most purchasing applies primarily to holiday gift items. Quite frankly, this time of the year has traditionally been an extremely poor selling period for retailers of "big ticket" merchandise, such as furniture (particularly when it is not available for immediate delivery). We, and Pennsylvania House, want to prove that it is possible to sell special order furniture during this season. Therefore, we make this unprecedented offer. We believe that this sale has so much to offer, you will participate in this event. We are presenting superb, investment quality furniture

at the biggest discounts we have ever offered! This is an open book sale — factory catalogs and price lists are posted so that you may verify your savings. And best of all, the pieces on sale are the top-sellers in Pennsylvania House's prestigious product line... classic, enduring designs, meticulously crafted by experts. This market is a known test market. We are the area's key Pennsylvania House distributor, and one of the region's largest dealers. We are thrilled to be able to make this spectacular offer.
