Simplicity

END SHOVELING BACKACHES SAVE \$70.

You can buy this Simplicity 3 horsepower Snowthrower for \$70 off the suggested retail price if you act before Dec. 24. Clean up just one snowfall with the Simplicity 350M and you'll wonder why you ever wanted this tool. It's a real beauty of a machine, one that simply outperforms other full-throttle snowblowers. The Simplicity 350M has an easy to start 3-horsepower and a unique Touch-O-Matic control that makes operating easy. Patented "Positive Direction Valve Control System" lets you throw snow where you want it — out of your way. The unique rubber paddles let you clean right down to the pavement. And the 350M is light and compact for easy transport and storage. Save your back the agony of shoveling with a snow shoveler, and save yourself 70 bucks when you act! See us for a Simplicity 350M Snowthrower before Dec. 24.
