Home Holiday Solution

The Apple® II computer has enriched the lives of a lot of families through the years. It has also run a lot of businesses and it's the most popular computer used in schools. As Michigan's original Apple dealer, Computer Contact has delivered systems for every conceivable use. Combined with a quality printer and thousands of software programs, the Apple IIc can satisfy both home and business needs in one, compact system, at a very affordable price. Computer Contact will provide you with training and technical support to make your system productive and rewarding.

Our Home/Work Solution Includes:

- Apple IIc™ computer, with Apple Color Monitor
- Imagewriter™ II printer, External Disk Drive
- Software Discounts
- New Customer Orientation
- One hour FREE Technical Support
- C3 Goldcard (on-going discounts)
- Your Special *Holiday* Price: 1,499.00
(Price includes \$250 Rebate from Apple.
Does not include sales tax.)
