Gifts for her with a long perspective

A gift with pizzazz that emphasizes fashion's longer look is this Chinese-design multi-color sweater atop leather pants. It's available in the Birmingham-West Bloomfield area.

The ultimate in thoughtfulness

YOU PROBABLY would never ever think of this gift on your own — but once you give it some thought you'll agree it's the ultimate in gift-giving.

The idea comes from Tanara Institute de Beaute and it comes several "packages," but there are other area businesses who offer similar ones.

One is what Tanara calls a day of pampering — skin consultation, facial and neck firming treatment, one hour therapeutic vibro massage with bio-suna, hot oil manicure with liquid nail wrap, pedicure with foot treatment, eyebrow arch, makeup application and light lunch.

FOR THAT SPECIAL MAN, there's a Jacuzzi, one hour therapeutic vibro massage, hot oil manicure and champagne — what else?

Or the two of you can indulge in a luxurious Jacuzzi while you sip champagne and nibble cheese. Follow this with a relaxing one hour body massage.

For more information on these and other gift packages, call 855-0474. Tanara's located at 32480 Northwestern Highway, Farmington Hills.

a long perspective

Accents of fur add interest to a sweater (above) which combines leather, satin and pearls in a free-wheeling dolman-sleeve style creation. Capturing the currently stylishly art nouveau mood is the white and silver angora set at the left. Both are available in the Birmingham area. The sweater is priced at \$126, the angora set at \$620.
