

# Tumey guides North win

Mike Tumey had himself quite a meet at Livonia Churchill Thursday.

The All-Area swimmer from North Farmington helped his team to a 110-62 win against the Chargers by taking two individual firsts, swimming on a winning relay and breaking a pool record.

Tumey won the 100-yard individual medley in 2:03.6. Then he won the 100 butterfly in a swift 53.4. That topped the Churchill pool record of 53.7 set by North's Brian Gons in 1983.

Tumey teamed with Eric Maxon, Dan Knipper and Jordy Greenstein to win the 400 freestyle relay (3:40.0).

Bruce Gons also won two events for North. He won the 50 free (23.3) and the 100 backstroke (1:01.5).

Kevin Lee won the 400 free (1:57.7). Gons, Andy Fritz, Steve Tumey and Chuck Chuba won the 200 medley relay (1:50.7).

North is 3-1 on the season.

LIVONIA STEVENSON knocked off Farmington Harrison Thursday 109-63.

Brian Fitzgerald (1:55.7 in the 200 free), Scott Farabee (57.2 in the 100

● THE JUNIOR TOUR

The World Series of Junior Golf Tour, dubbed the Junior Tour, held its 10th annual event Dec. 29-30 at the Palm Beach Gardens, Fla., Sheraton PGA National Resort.

Angie Wilson of Nebraska shot a 173 to win the two-day girls meet while John Willey of California survived a tremendous charge by Bob Morad of Bloomfield Hills to win with a 149.

Morad, a member of Birmingham Brother Rice's state championship golf team, tied Bob Morow of Massachusetts for final-round, low-score honors with a three-over par 75, but it wasn't enough to catch Willey.

Willey shot a four-over par 78 on the final day to win by one shot over Chris Bashong of Virginia. Morad, 15, and one of the youngest golfers on the national tour, finished third overall with a 151.

Hank Andries Jr., another Bloomfield Hills golfer participating on the six-event national tour, was injured and did not compete in the tournament.

Morad is tied for fifth overall on the tour standings after the first three events. Andries is tied for 99th.

The fixed National Junior Tour — the only tour of its kind for high-school age golfers — consists of 10 boys and 11 girls. All qualified last spring and summer through, first, their state tournaments, and second, a series of regional tournaments.

NFWB officials will accept registrations \$30-9 p.m. Wednesday, Jan. 21, at North Farmington High School's cafeteria. North Farmington High School is at 13 Mile and Farmington roads.

All boys and girls 8-16 may participate in the various NFWB leagues. The NFWB consists of seven leagues, including Pinto, Pinto/Mustang, Mustang, Bronco (two), Pony and Colt.

Tryouts will be held later this year at Orchard Lake Middle School, Orchard Lake Road, north of 13 Mile.

For further information, call 355-3344.

● MEGATRON POWER

Megatron Inc., headquartered in Bloomfield Hills, will develop a turbo-charged, four-cylinder engine for the 1987 Arrows A10 Grand Prix Racing Team.

USF&G Financial Services, headquartered in Baltimore, has agreed to fully underwrite the Arrows Racing Team for the 1987 season. It is the first time in Arrows history the company has had the financial support to formulate and develop a competitive program.

The A10 is a completely new design for a Formula One racing car. Ross Brown, 32, is the new chief designer for the USF&G Arrows Team.

On Tuesday, the Marlinus had a successful run at the seven-team giant slalom race at Mount Brighton. Brighton won the race with 18

points. Mercy was second with 25 and East Lansing placed third with 56. Rounding out the field were Birmingham (69), Lathrup (109), Birmingham Seaholm (78) and Southfield (38).
