

Wayne is ready for district play

Wayne Memorial appears to be peaking at the right time for the state basketball tournament.

The Zebras, who clinched the Wolverine A League title two weeks ago, committed only seven turnovers Friday in their lopsided 73-29 victory over visiting Dearborn Fordson.

Wayne, which has won seven straight, finished the regular season 41-16-4. The Zebras met Belleville Tuesday at home in a district Class A opener. (See tournament pairings.)

In the win over Fordson, Wayne jumped out to a 33-15 halftime lead and then blanked the Tractors in the third quarter, 20-0, before coasting home.

Everyone scored for the Zebras. Mark Robinson, a senior point guard, led the way with 14 points. Mark Claiborne and Curtis Adams added 13 and 10, respectively. Dave Senowski chipped in with nine points.

Bascom Karkaba tallied eight in a losing cause.

CATHOLIC CENTRAL 82, DET. NORTHERN 76: Senior guard Leon Vaccarilli had his best outing of the season Wednesday, leading the Shamrocks (14-0) to a non-league triumph over visiting Detroit Northern (11-6).

Three other Redford CC players scored in double figures: Brian Dugas (10), Pat McGrath (15) and Anthony Arrington (12). Northern led 35-34 at halftime, but CC came storming back in the second half to post the victory.

David Grot, a 6-foot-3 junior center, led the Huskies with 14 points. "The Grot" took steps a couple of times early and that helped us because when he got the ball inside, it was going in," said CC coach Bernie Holowick. "He was a bit tentative after that."

DEARBORN 50, REDFORD UNION 48: The best Red Pioneers wrapped up the Northwest Suburban League championship Friday with a two-point win over last-ranked Redford Union, which finished the regular season 14-13 overall. "It was a good effort, but we broke down under their three-quarter court

after today's opener when Borgens takes on a formidable Cady club.

COPPER (70 cents per pound)

Plymouth Canton (12-8): The Western Division champions of the WFLA could spring a surprise or two. But meeting Salem, a bigger and stronger team, is not the way to start things off. Give coach Tom Nienhi, however, a pat on the back for bringing this club along.

Plymouth Christian (17-3): The Eagles are not the reincarnation of Allen Park Inter-City Baptist (the state champions two years ago), but they have an excellent chance of getting through the Detroit Redford St. Mary's district. Going beyond that would be a bonus.

ZINC (41 cents per pound)

North Farmington (8-12): The Raiders play in one of the weakest districts in the state at Walled Lake. Western Coach Tom Negoshian has pulled some upsets in past years. His team opens with Bloomfield Hills Andover, which is so far shakes and would probably face Walled Lake Central for the title. Who knows?

LEAD (26 cents per pound)

Farmington Harrison (10-10): The Hawks have been up and down this season. They do, as goes 6-9 center Brad Ridgeway. Unfortunately, they open Class B district play at Madison Heights Bishop Foley against Royal Oak Shering, a Catholic League playoff semifinalist.

Redford Thornton (9-11): The Eagles play a rubber match against Dearborn Heights Crestwood in their Class B district opener at Dearborn Can Tony stop Crestwood's Larry Alsbrook? Reaching the district final would put them against either

Dearborn Heights Robichaud or Dearborn Divine Child, two formidable teams.

Livonia Churchill (8-12): The Chargers will have a battle on their hands with Franklin in their opener. Beating Glenn is a pipe dream. Don't buy anything with the name "Livonia" on it.

Livonia Stevenson (11-9): Coach Jim McIntyre's team drew a bye and will face the winner of the Glenn-Garden City district opener. You can figure out the opponent and the outcome.

Livonia Clareceville (10-10): The Trojans may have the best player in Livonia, junior forward Greg Budd. Being host Foley in its Class B opener is possible, but highly unlikely.

Livonia Franklin (3-17): Franklin owns victories over Farmington, Churchill and Northville. That's progress after going 0-30 the year before.

Redford St. Agatha (11-8): The Aggies have an unused player in 6-center Kevin Rich. They open Class C district play against host Orchard Lake St. Mary's, a team which beat them a week earlier.

Garden City (7-13): The Cougars started out strong, faded, upset Dearborn and then have fallen flat on their face again. Oh, what a season it could have been had not 6-6 Skip Barnett moved to Georgia.

Redford Union (4-15): Coach Tim Smatzer has made no progress with the Panthers, who have won more games this year since the 1980-81 season. RU has also lost several heartbreakers, but the Panthers will need a heart transplant to beat the winner of the CC-Southfield game.

Farmington (2-18): It's been a long year for first-year coach Bob Kamp, whose team fell on hard times almost from the start. Steve Howell, not a bad scorer, has been one of the team's bright spots.

Ocelots bow out

It was a long road trip to Vincennes, Ind., for Schoolcraft College's men's basketball team last week. Running out of gas made it a short one, too.

No, the Ocelots were not stranded somewhere in the Indiana outback. The bus made it to Vincennes, but SC could not make it through its first game of the NJCAA Division I regional tournament Tuesday. A 40-38 halftime lead disintegrated in the final 20 minutes and the Ocelots fell 64-73 to Cincinnati Tech.

"We played extremely hard and well for most of the game," said SC coach Bob Wetzel. "We simply could not make the plays to win the game in the last six minutes."

A season-long Ocelot problem has been lack of size, which has plagued their inside offense, their defensive assignments and their rebounding. That deficiency, combined with a limited bench, also has affected their endurance. By game's end, the Ocelots were worn out — or out of gas.

DERRICK KEARNEY did his best to keep SC in gear. The 6-foot-4 forward sparkled, connecting on 14-of-17 floor shots and both his free throws to net 30 points. He also hauled down 14 rebounds.

But it was hardly enough. Two other scorers the Ocelots rely on — Zolile Stevens and Desmond Steele — managed to hit just 10-of-26 field goal attempts combined. Stevens scored 14 points, Steele had 11. Les English added 10. No other Ocelot had more than six.

Rebounding was worse. After Kearney's 14, the next highest rebounder was Stevens with five.

Derrick Kearney collected 30 points and 14 rebounds for Schoolcraft, but it wasn't enough.

- Randall and Rivergreen Drains Drainage Improvements, Section 35

Please note that only a portion of these projects will be possible due to funding. But it is felt that opportunities for public discussion on each of these should be given.

All projects proposed with the use of the 1987-88 CDBG funds, as noted above, will benefit low and moderate income areas or persons defined in the 1980 Census.

All CDBG activities have been designed to avoid the displacement of persons. In the event displacement becomes necessary, the City will assist displaced persons in accordance with the Federal Uniform Relocation Act.

1985-87 CDBG Program - The Final Statement of Community Development Objectives and Projected Use of Funds for the 1985-87 CDBG program year included the following:

Administrative and Housing Rehabilitation Activities are currently underway, with completion scheduled for May 31, 1987. The capital improvement project is currently scheduled for construction in the spring of 1987.

Salem-Plymouth Canton opener at 7:30 p.m. Wednesday.

Salem won the WFLA title with an 18-2 record. The Rocks beat Canton, the Western Division champions who finished 12-8, in the championship

game. Either one would be a heavy favorite against Farmington.

Still, this is a new season, as any coach in the state will say. Everyone is 0-0 coming in, and in tournament play, anything is possible and upsets are prevalent.
