The Winston Court Wall System

SALE
1399* as shown

Winston Court by Thomasville celebrates the honored tradition of 18th Century American and Country Colonial designs with thoughtful contemporary adaptations. Here, the Winston Court Wall System reflects the elegance and warmth of the era yet answers the need for organization and display.

Gather cherished family collectibles and place them amidst special books and photo albums, organize television and stereo equipment without dominating an otherwise traditional room.

In keeping with the Thomasville tradition of quality, only the finest maple solids and cherry veneers are used. The "Jefferson" finish is a warm, rich cherry tone that sets off the gleaming brass-finished hardware beautifully.

Winston Court belongs to those who appreciate an authentic look and demand an excellent value.
