

# Franklin Learns Value Of PAT

What started as a rough season for Livonia Franklin High's football team has developed into a happy one. Meantime, for Birmingham Groves, the 1970 season will be remembered as the one when a single point "killed" the team.

FRANKLIN KEPT alive its hopes for at least a share of the Northwest Suburban League title by downing Groves, 13-12, in a thriller. Franklin now is 3-1 in the league and 4-2 overall, with Thurston only left on its league slate Saturday afternoon. A Franklin win and a North Farmington loss would result in the teams sharing the pennant.

As for Groves, there'll be no crown flying around 13 Mile Road, and all because of those one-point losses.

Twice before, Groves had lost when an attempt to go for a two-point conversion, which would have won the game instead of trying for one point and a tie, failed.

This time, Groves went ahead early, but couldn't hang on and in the end it was a Franklin conversion which decided the game.

GROVES STRUCK for a 12-0 lead when the Birmingham

team marched 59 yards in the first period with passes from Tom Rex to Drew Jackson chewing up a great deal of the yardage before Rex passed the final four yards to Scott Chesnet for the TD.

Then in the second period, Groves marched 45 yards in five plays with a Rex to Chesnet pass the big gainer to the five from where John Lamb drove in for the touchdown.

Franklin, meantime, was experiencing fumble troubles. Once the Livonians gave the ball away on the Groves 11.

Then John Casey exploded for a 49-yard scoring run and Dave Morrison booted what proved the game's deciding point to leave Groves with a 13-7 lead at the half.

The game seersawed for a good share of the third period before Mark Lehto of Franklin grabbed a punt on his own 40 and was off to the races. He dashed 60 yards to score and that was the ball game.

FRANKLIN EARLIER had lost a touchdown after a sparkling 58-yard punt return by Don Opland, a 15-yard clipping penalty being detected.

When the game ended Franklin was on the move again... on the Groves 3.

John Piipo again was the workhorse of the Franklin attack. For the third game this season it gained over 100 yards, rolling up 123.

The front four of the Franklin defensive line drew considerable comments. Jim Craig, Scott Louis, Jim Griffin and Mike Lynch all combined to keep Groves well in check after the first half.

Franklin totaled 214 yards rushing and added seven yards passing by making two out of eight.

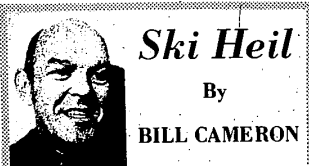

Groves did most its damage via the aerial route, clicking on 12 out of 27 for 112 yards. On the ground, Groves was held to 19 yards.

Franklin made six first downs, Groves seven.

Groves has one league game left... against John Glenn Friday night.

## Ski Heil

By  
BILL CAMERON

What's the "in look" for ski season '70? How's this for starters? "The Western look, suede-fringed, wide-collared, and ready to go. Wow."

"She wears Annie Oakley, our western one-piece ski suit. He wears the Yuma parka with Ski Chaps, suede-fringed over-pants. And it's all functional-warm and waterproof."

"Completing his western garb, the topsighted Doran-hill Knit Shirt in polyester-knit. We've put him together in layers: pants, turtle tee, shirt, over-pants and parka. White Stag designs coordinated components for Ski '70, so you can put them together your own way for your own look."

## Area Stars Play For U-M Frosh

Observerland football fans will take a special interest in Saturday's competitive debut of the University of Michigan's freshman team, what with at least six former prep stars of the area expected to see action for the Wolverine yearlings.

The 1:30 p.m. test in the Michigan Stadium will be against the Michigan State freshmen and in two later games the Wolverines will face Notre Dame at Ann Arbor on Nov. 6 and MSU again on Nov. 12 at East Lansing.

Drawing high praise in September and October practice sessions from Michigan's new freshman coach, Tiro Burman, have been Art Feduk and Michael Day, of Livonia; and Craig Muich, of Thurston; Bob Thornbladh of Plymouth; Richard Muschell of Belleville and Dave Brandon of South Lyon. All are among the 36 Michigan freshmen who were awarded football scholarships.

Obviously the one-piece jumpsuits and over-pants are definitely the thing this year. I'm going to feel slightly underdressed in my basic black.

Penny will be appearing at the International Ski and Winter Sports Show to be held at the Light Guard Armory, 4400 East Eight Mile Rd., Friday through Sunday, Oct. 30, 31, and Nov. 1.

After an absence of a year, Stein Erickson will be back, along with America's newest ski hero, Billy Kidd. You'll find exhibitors representing skis, boots, poles, bindings, ski areas, travel agents, airlines.

There will be skiing on the "magic mountain" and demonstrations by well-known ski instructors, plus movies by Dick Barrymore, a swap shop, and a "Gusto Haus" for the thirsty traveler.

Special discount tickets are available at all of your local ski shops. I'll be there. Look for me at the United Skiers Service booth. It's a must weekend for all serious, and soon-to-be, skiers.
