for eighth in the all-around at the WLA meet (31.95) and was 14th in the regional (31.65). Her best all-around score of the season was 34.30; her best events were the vault (season best of 9.35) and the floor exercise and beam (8.65 in each).

Debbie Williams, sophomore, John Glenn, Williams averaged 34.1 in the all-around before an injury ended her season prematurely, sidelining her for the WLA and regional meets. Still, she established school records in the beam (9.3) bars (8.85) and all-around (35.5). She also had a vault of 9.45.

Brenda Perry, senior, Plymouth Canton: Perry finished seventh in the WLA in the all-around and was the Western Division champion in the vault and floor exercise. Her floor exercise scores have earned her All-American designation — she has the school record in the event (9.0).

Mary Jo Charron, senior, Canton: Charron placed 11th in the WLA meet, and she carries All-American status in the beam and floor exercise. She has the school record in the beam (8.85) and has averaged 8.9 in the floor exercise and 8.5 in the vault.

Jackie Huff, senior, Plymouth Salem: Huff finished third in the WLA's all-around competition with a 34.05, which included a second on

ALL-OBSERVER GYMNASTICS TEAM

the bars (8.8) and a fourth on the vault (8.75). She placed 10th in the Adrian regional (32.75) and was 19th (33.95) in the Rocks first appearance over at the state meet.

Becky Talbot, senior, Salem: Talbot's 32.75 all-around earned her a sixth at the WLA meet. She tied for third in the floor exercise (8.65) and finished fourth in the bars (8.70). Talbot placed 13th at the regional (32.00) and at state meet recorded scores of 8.4 on the bars, 8.7 in the floor exercise and 8.1 in the vault.

OU swim coach quits

By C.J. Risak staff writer

A step up for one is a step out for another.

Mary Ellen Wydan submitted her resignation last week as Oakland University's women's swim coach. Tracy Huth, former All-American swim star for OU's men's team, was immediately announced as Wydan's replacement.

"When I decided to spend my life coaching swimming, the collegiate level is where I wanted to be," said Huth, who has coached the Oakland Live Y'ers age group swim program the past two years. "I've been in this area long enough to see the kind of talent that's here, and there's enough to build a national championship contender."

That was something Wydan failed to do in her four years at OU.

Under the Delaware graduate's guidance, the Lady Pioneer program slipped from fourth in the NCAA Division II meet to 11th this season. They were 3-11 in dual meets this year and 19-25 in her four years at the helm.

WITH ONLY 11 swimmers and four divers on the team to begin the 1986-87 season, it was apparent the program was stagnating. OU scored 70 points at this year's NCAA II meet; 69 of those were by swimmer Nancy Schermer and diver Lee Ann O'Neill.

Considering the success posted by OU's men's team under Pete Howland — the Pioneers have finished among the top three in the NCAA II meet in five of his six seasons — it was hoped the women's program would follow suit.

The two seasons prior to Wy-

dan's arrival, OU placed third and fifth in the NCAA II meet. After a fourth in her initial season, however, the Lady Pioneers dropped to 12th, eighth and, this year, 11th.

"ONE OF THE main things the program needs is numbers," said Huth. "What we need is a few good swimmers with some versatility, then we need to try and increase our numbers."

"A few years ago, this program had a solid foundation. I think that can be done again. I'd like to build a foundation similar to the one the men's program has."

Huth, 25, from Yakima, Wash., is perhaps the best swimmer to have attended OU. Three times he was chosen as the NCAA II swimmer of the year (1982-84). In 24 races at the NCAA II championships — the maximum number allowed — Huth

Mary Ellen Wydan resigns swim post

garnered All-American honors. He won eight individual NCAA II titles and four more in relays.

OU's men's team finished second three times and third once in Huth's four seasons. That's the kind of record Huth would like to bring to the women's team.

Shamrock netters eye title repeat

By Brad Emons staff writer

It's almost becoming a cliché in sports that it's tough for a team to repeat.

But with his lineup virtually set, Redford Catholic Central tennis coach Frank Garlicki is confident his team can defend its state Class A championship this spring.

"I think we're as good as last year because we're more experienced and we have more maturity," said the CC coach. "The schedule is the same. We're playing schools that are good in any division."

The Shamrocks already have one win under their belts, a 7-0 dual meet triumph last week over Class B Saline. The match was played indoors at the Livonia Family Y. (See statistical summary.)

After nearly a month of challenge matches, Garlicki has settled on his first four singles positions.

Senior Mark Agah of Farmington Hills will play No. 1 for the second straight year. He missed the first match against Saline to play in a U.S. Tennis Association-sanctioned tourney in Louisville, Ky.

"Mark is an aggressive serve-and-

volleyer," Garlicki said. "I think he's in the top four in the state."

AGAH RANKS 44th nationally in the Boys 18's and fifth in the Western Tennis Association (Michigan, Indiana, Illinois, Ohio, Kentucky and West Virginia).

Already accepted to Vanderbilt University in Tennessee, Agah will be playing April 13-19 in the Omega Eastern Bowl Junior Championships in Miami, Fla.

He will be joined in Miami by No. 2 singles player Steve Campbell, a junior from Detroit who won the No. 3 singles crown at last year's state meet. Campbell ranks 15th nationally in the Boys 16's.

"It's going to be a more challeng-

ing year for Steve," predicts Garlicki.

Moving into the No. 3 singles slot is senior Jeff Huxton of Farmington Hills. Meanwhile, the No. 4 man is sophomore Tony Mikulec, who is ranked third in Boys 14's in the WTA.

The Shamrocks will be strong again in doubles as seniors Randy Janis and Jim Gillespie, both of Plymouth, move up a notch to the No. 1 slot.

CC is expected to battle for the state crown this year with East Lansing, Okemos and Catholic League nemesis Birmingham Brother Rice.

Proposals must be on forms furnished by the Landscape Architect and be accompanied by Bid Bond or Certified Check in amount of five (5%) percent of Proposal submitted.
Drawing(s) and Specifications may be obtained at the office of John Grisman and Associates, Inc., Landscape Architects, 17601 Twelve Mile Road, Farmington Hills, MI 48018, on or after April 7, 1987 at 2:00 p.m. Please call 535-2500 before picking up Plans and Specifications.
A check in the amount of \$50.00 must be submitted as a deposit for each set of Drawing(s) and Specifications (Bid Package), same to be refunded upon return of Bid Package, in good condition, within ten (10) days of opening of Bids. Make check payable to "John Grisman and Associates, Inc."
Accepted Bidder will be required to furnish satisfactory Performance Bond and Labor and Material Bond, each in amount of 100 percent of Contract, total cost of which to be paid by accepted Bidder.
All Proposals submitted to remain firm for a period of 60 days after official opening of Bids.
The City of Farmington Hills reserves the right to reject any or all Bids, in whole or in part, and to waive any informalities therein.

REDUCE YOUR CHANCES OF GETTING HEART DISEASE, KIDNEY DISEASE OR GOING BLIND.

Obesity can start a chain reaction to poor health that can be devastating. To begin with, most physicians and researchers consider obesity to be the major cause of diabetes in adults. Up to 90% of adults diagnosed as having diabetes, in fact, are overweight. Of course, once you have diabetes your chances of developing heart disease, kidney disease, or going blind increase dramatically. As a person with diabetes you'll be twice as prone to heart disease. 17 times as prone to kidney disease. And 25 times as prone to blindness, if you are insulin-dependent. Diabetes, in fact, can shorten your life expectancy by one-third. Fortunately, diabetes in adults, in most cases, can be prevented with careful weight control, healthy eating habits, and regular exercise. So if you're overweight, doesn't it make sense to take off the extra weight? Instead of years off your life?

FIGHT SOME OF THE WORST DISEASES OF OUR TIME. Support the American Diabetes Association.
