

Listen to radio by tuning to Channel 18

Radio programming has a full week's lineup. Radio may be produced on site, instantly taped or go on live.

Listen to radio on your cable Channel 18. May's programming includes:

- Monday, 7 p.m., car tunes, producers, Mark and Dave.
- Tuesday, 7 p.m., back tracking, producer, Pat Voss.
- Tuesday, 7:30 p.m., thought disorders, producer, Chuck Pell.
- Wednesday, 7 p.m., communication connection, producer, Lark Samouelian.
- Thursday, 7 p.m., on stage music hour, producer, Joe Pullin.

Welcome to producers Mark, Dave, Pat, Chuck and Joe. Our radio family is small, but building rapidly as the simplicity of technology encourages one to be unafraid in what historically has been known as the most cut-throat of all the media industries.

Thank you to Metrovision staff for training in a simple and effective manner.
