## CITY OF FARMINGTON

### NOTICE OF PUBLIC HEARING ON INCREASING PROPERTY TAXES AND TO REVIEW 1987-88 PROPOSED BUDGET

The City Council of the City of Farmington will hold a Public Hearing at 8:00 p.m. on Monday, May 18, 1987, in the Council Chambers in City Hall, 23600 Liberty Street, on the proposed 1987 city tax levy and on the proposed 1987-88 city operating and debt service millage rates.

In the previous year the city levied 11.1741 mills (\$11.1741 per \$1,000 SEV) for the city operation and Charter limited debt service; and additional .5659 mills (\$.5659 per \$1,000 SEV) was levied for city unlimited debt service for a total millage rate of 11.74 mills (\$11.74 per \$1,000 SEV). State law (Act 5 of 1982) provides that the base tax rate for 1987 city operating taxes be reduced to 10.5015 mills (\$10.5015 per \$1,000 SEV). This is a .6726 mill (\$.6726 per \$1,000 SEV) lower tax rate than the 1986 operating tax rate.

The recommended budget will increase the cost of providing essential services this year. The cost of rubbish removal and disposal, implementing the E-911 emergency communication system, employee wages, highway construction and the replacement of equipment will increase the General Fund operating budget by 6.2% in FY 1987-88.

The increase of these services and capital improvements will make it necessary to restore a portion of the reduction in the base tax rate for 1987. The partial restoration of the base rate will result in a reduction in the millage levied by the city as compared to the previous year's rate. The total proposed millage rate will be 11.63 mills (\$11.63 per \$1,000 SEV). This rate will provide a 5.9% increase in the city operating and limited debt service property tax revenues. A 2 mill (\$2.00 per \$1,000 SEV) will be levied on property within the Downtown Development District. This millage will be used to improve the environment, marketing and management of the downtown district of the city.

Public comments, oral or written, are welcome at the Hearing on the proposed millage rate and on the proposed budget.
