

# Sorrows Battles St. Clements For Title Berth

By BOB MCCLELLAN  
When a football coach is confronted with an important game, he's normally concerned about the other team. It's different this week with Bob Kelly, second-year coach at Farmington Our Lady of Sorrows.

"But I feel better today," he confided Friday. "Only three of the boys are still out and I expect they'll be back by game time."  
Game time in this case is 2:30 p.m. Sunday at Center Line's Memorial Field against Center Line St. Clements, also an unbeaten Class C powerhouse.

The experts match the teams so evenly, in fact, that St. Clements is ranked fourth in the state in Class C and Sorrows sixth in prep grid polls.

BOTH TEAMS are undefeated and united in seven games and the victor in Sunday's clash earns the right to fight it out for the championship of the Catholic League Second Division.

Most of the boys still have colds," Kelly revealed, "and they're real weak because of the missed practice and running."

Nonetheless, Kelly has some horses of his own to trot out. In Hart and Mark Thibodeau, Kelly probably has the best pair of field generals of any Class C school in the state.

HART STARTED the first two games of the season at quarterback but Thibodeau has made the competition so tough, that Kelly now alternates both of them at the position and throws Hart in as a receiver when Thibodeau's calling plays.

passes for three TDs and six conversion points. Thibodeau has completed 15 of 23 aerials for four TDs and six extra points. In addition, the junior quarterback has run for four TDs and one extra point.

# North Expected Good Team--And Its Has One

What a football season this has been for North Farmington High.

Champs of the Northwest Suburban League... highly ranked in all of the Class A polls... the Free Press, the News, the Associated Press and the United Press.

one of the state's great prep clubs. "He can break loose from any place on the field and run for touchdowns," says Holland.

With his boss, Gov. William Milliken, back in the top case in Lansing, one wonders if Racing Commissioner Leo Shirley will get down to the business of allotting dates for the 1971 racing season.

individuals close to the picture, is that the MHHA suggested the following dates in a communication to the commissioner.

But the fact remains that Commissioner Shirley is in a position where he has to decide what is best for the state.

The average nightly handle for Wolverine, Hazel Park and Northville tells a story. Hazel Park wound up with a nightly average of \$640,000.

Incidentally, Commissioner Shirley became the first racing boss in Michigan history to support an increase in the parimutuel take, for the state's thoroughbred tracks.

WHEN IT'S ALL over, after next Saturday's collision with cross-town rival Farmington, Holland says what he'll probably remember most about his 1970 team won't have to do with the way his athletes played football.

members, was killed in a motorcycle accident. "Greg's loss was a blow to us," Jolliffe says.

"The big thing is that we have fine players for every position on the team."
