

IT COSTS A LOT TO SAY YES TO A BRIGHTER FUTURE.

BUT WE CAN'T AFFORD TO SAY NO.

Too many of our youth look at tomorrow and see only recycled yesterdays. Futures without promise. To give their lives new perspective, the United Foundation Torch Drive supports 35 agencies that sponsor youth programs in the tri-county area.

Last year, your contributions helped fund these programs with \$10.2 million. This year, the need is far greater. Your contributions must reach more children and teens in need of guidance, shelter, structured activity, counseling and care.

So please give more to the Torch Drive and help fund 153 health and human service agencies in the tri-county area. Agencies that not only deal with the underprivileged, but also with cancer, heart disease, Alzheimer's, substance abuse and much more. It costs a lot to say yes. But, when it comes to our children's future, we can't afford to say no. **GIVE...FOR ALL THE GOOD YOU CAN DO.**
