**ANNUAL PASS**  
**Henry Ford Museum & Greenfield Village Presents Yet Another Great Invention.**

The new Henry Ford Museum & Greenfield Village Annual Pass might pale in comparison to the first Model T Ford or Edison's original light bulb. But, we think you'll agree, it's still a pretty nifty invention.

Not to mention a great deal. Because during our introductory offer, from November 6, 1987, to January 4, 1988, you can pick up an Annual Pass for \$18 (that's only a dollar more than one-time admission to the Museum and Village!). There's even a Pass for children priced at \$9. Each lets you visit us every day for one full year, stay as long as you want and start saving money after just one visit. And we guarantee you'll visit the

Museum and Village again and again. After all, there's more to see and do here than ever before. Including a completely new \$6 million "Automobile in American Life" exhibition. Our special "Streamlining" exhibit. The authentic Firestone Farm. And Edison's newly restored Menlo Park Lab.

That's in addition to our changing displays and special events. Like our Christmas celebration and The Howard Brothers Miniature Circus. So start thinking about buying an Annual Pass. Start thinking about who'd like one for Christmas. Start dialing 271-9363 to order by credit card. Or start the car and head out to Dearborn for the great American museum that's also great fun.
