The only thing
a kid
should be getting
in school
is smarter.

Unfortunately, what too many of them are getting instead is drugs. With your help, it doesn't have to be this way.

There is a program called "Schools Without Drugs: The Challenge" that can help you deal with the drug problem in your community or school.

Find out about it. The smarter you are about what works against drugs, the better chance our kids will understand how dumb it is to take them.
