## Cut your own

#### Guide shows where tree farms are

Michiganians pining for the "perfect" tree to spruce up their homes for the Christmas holidays can select and cut their own by visiting a state tree farm, reports AAA Michigan's an elect and cut their own by visiting a state tree farm, reports AAA Michigan's guide, with the AAA Michigan's 1987 Cut-Your-Own Christmas Tree Gaide.

Buyers will find tree prices up sliphtly from last year, with Scotch pines running from 35, 31 more than 1986. Bigger trees, such as a Douglas fir or blue spruce may reach up to \$50. At farms charging by height proportion and continual trimming and incomplete the proposition of the proposi

• Norway, white and black spruce and balsam fit trees should be cut when temperatures are above 40 degrees to help hold thought of the county of the county
