Dear Santa,  
I have been good  
this year. I would  
like to have a puppy  
from Petland. The  
black one with the  
white ~~markk~~ paws.  
And some new fish  
and a train set and  
some skates.

Love XX,  
Jason  
P.S. If you can't  
bring all of this  
just bring the  
puppy.

### BIRDS

Come visit our tropical birds from all over the world. Our tame and talking birds are available for you to hold, pet and even talk to in our unique, "Hands-on" open aviary displays.

### PUPPIES

Face licking, tail wagging puppies are fun for the whole family to play with in our open puppy petting pens.

### KITTENS

Cute, adorable furry little blurs zooming around their display area playing tag.

### FISH

A world of aquatic creatures brought together in one of the most fascinating displays you have ever witnessed—only at Petland!
