Holiday potpourris

Continued from Page 21

In the Birmingham area, Jeff Fontana carries a complete line of potpourri that comes in five different scents, each packaged in ribbon-tied burlap bags and ready for gift-giving. Linda Dresner carries the coveted, spicy Ri-

gaud potpourri in her Birmingham store. Crabtree and Evelyn, in Somerset Mall, carry a full line of home fragrances including essential oils such as bayberry, clove and pine. Also at Jacobson's is a Fireside potpourri available in three scents by Aromatics.

JERRY ZOLYNSKY/staff photographer

Rigaude's potpourri is a spicy mix of dried orange peel, rose buds and dried flowers for an extraordinary, clean fresh scent that seems to last forever and is also seasonless. \$17.50. Linda Dresner, Birmingham
