# Borgess prevails over CC

By Brad Emons staff writer

The Catholic League's Central Division held its grand opening Friday and the customers were treated to some quality basketball.

Although it was far from a classic, Redford rivals Bishop Borgess and Catholic Central battled down to the wire before host Borgess prevailed, 67.462.

down to the wire before host Borgess prevailed, 47-92.

Borgess, the defending Catholic League champions, trailed 3-15 after one quarter, but scored the first 10 points of the second quarter to take command of the game.

But CC, using its vaunted matchup zone press, came storming back in the third quarter after Borgess's Da Juan Smith, the games high scorer with 22 points, went to the bench with his fourth foul at the 3:02 mark.

Center Bill Vitti, who led CC with 18 points, scored inside with 1:26 left in the quarter to give the Sharmocks a 47-48.

That was the last time, however, the Spartans trailed as they opened up a inte-point lead in the final quarter, only to have CC make a late run with just over a minute to play on a three-pointer by Brian Dugas followed by two Vitti free throws. The five-point play cut the deficit to 35-31.

BUT SMITH, despite getting slapped with a costily technical foul down the stretch, made four

straight free throws in the timal as accounts to pure the game away.

"I don't think we played smart in crucial situations, but CCs pressure did create some turnovers." said Borgess coach Mike Fusco, whose team is 5-1 overall. "I thought overall Da Juan had one of his better games this year, but he still needs improvement. He still needs to use a power move instead of that spin move to the basket like Adrian Dantley (of the NBA Pistons) uses."

CC turned the ball over 23 times. Borgess had 19.

Adrian Danuey (of the NOA Pistons) uses. OC turned the ball over 23 times. Bergess had 19.

But according to CC coach Bernie Holowicki, it was a lack of rebounding that led to his team's first loss in six games.

"Vittl played a beek of a game," Holowicki sald. "He played strong, but he had to battle two or three men. He needed some help. Borgess had so many second and third shots. They also picked up a lot of losse balls."

Smith, a 6-5 senior, also yanked down nine rebounds. Center Parrish Hickman added 16 points, 11 rebounds and four blocks, while the other forward, Erle Emanuel, quietly scored 12 points.

BUT EMANUEL'S CONTRIBUTION was more

than just offense.

The 6-3 senior was instrumental in holding down CC's top shooter Brian Dugas, who scored a hard-carned 14 points.

"Eric did a good job of defending Dugas, but to be a good defensive player you've got to be a smart player," Fusco said. "Eric is a very, very coachable player and he executes exactly what we want him to do. He's a very unselfish player, too."

Since 1 out of every 20 people has diabetes, you probably know someone who lives with it.

But what you probably don't know is what it's like to deal with diabetes: to have to stick to a diet every single day; to constantly monitor your blood sugar level; or to take insulin injections several times daily.

And you probably didn't know that diabetes can lead to other diseases, like heart disease, kidney disease and blindness.

Or, that every year 150,000 die.

Help us find a cure for diabetes. Before you know someone who dies from it.
