These prints are made on Kodak paper using the Kodak Colorwatch system for truer colors. And now with Arbor's Picture! Picture! Club, your film earns you bonus points for free gifts, from photo albums and Kodak 35mm cameras, to a weekend at Detroit's Westin Hotel!

Our prescription of quality.

At Arbor, "quality" means professional, prompt service combined with a range of generic and brand name pharmaceuticals. Our pharmacists will take the extra time to give you careful explanations. They will even suggest generic drugs that save you money, while meeting the exact requirements of your doctor's prescription. And at Arbor, we not only welcome almost all insurance plans, but we also welcome you.

Only Arbor has Arbortech... an automated computerized prescription service that provides instant information on your pharmacy record. Besides being a time and money saver, Arbortech can be a life-saver, by identifying possible drug interactions and allergies.
