Diana...Late 30's

"I used to think I couldn't afford to join a health club but at One on One I pay less each month than I did at an aerobics studio and I get a whole lot more for my money. They designed a program just for me with the best equipment and classes around. I love the club, I love the people, but most of all, I love the way I feel."

★ VOTED "AREA'S #1 AEROBIG PROGRAM"—Detroit Monthly ★
