Residents of The Oaks at Hampton enjoy the convenience of an urban lifestyle and the serenity of a secluded residential environment. The development is comprised of single family homes, condominiums, and apartments. This community is situated on a full square mile within minutes of shopping, dining, and business centers. In contrast, the rolling landscape, lakes, and trails allow you the pleasure of tranquility found in rural settings. You will meet neighbors who enjoy a quality way of life with similar values and interests. **For the single professional or the family, this combination of big city glamour and small town charm is sure to meet all your needs.**

Units come in a variety of sizes; they can be as cozy or as spacious as you desire...

Step inside a home at The Oaks and you will immediately notice the consideration and care that went into the planning of this community. The residences have spacious and well-planned interiors. Vertical blinds, microwave and self-cleaning convection ovens, dishwasher, self-defrosting refrigerator, cable television, and carport are included. Each apartment has its own entrance for privacy.

Balconies and covered terraces extend your living to the outdoors. The one bedroom models have an additional room big enough to convert to an office or den. The two bedroom models are spacious enough for shared living and the three bedroom townhomes have a full laundry room. Corporate units are available for people visiting from out of town on business. These suites are fully furnished and equipped from kitchen to bath.

Your kitchen includes all the modern conveniences from a microwave oven to a built-in dishwasher.

**The unique amenities found at The Oaks at Hampton are unequalled.** A paradise for the sports enthusiast, within the immediate area are tennis courts, an executive golf course (rated one of the top ten in Michigan), jogging trails, bicycle runs, cross country skiing, an olympic sized swimming pool, saunas, clubhouse, and recreation center. Residents also enjoy membership at the Meadowbrook Racquet and Fitness Club. You can picnic or play at nearby state parks like Stoney Creek and Dodge, or you can enjoy events at the Auburn Hills Palace or Pontiac Silverdome, only minutes from your door.

...with a sunny terrace in the summer months or an intimate fireplace in the winter months.

If you're culturally inclined, you'll enjoy a complete cross-section of events at local schools and theatres. Live music at Pine Knob, Meadowbrook, and Rochester Hills theatres are close by. Art galleries, classes, and fairs for exhibiting and learning, surround your community. Three cider mills await your visit on a cool, crisp autumn afternoon. Higher education is available from excellent colleges and universities. For the shopper, a multitude of fine centers abound: Hampton Plaza, Winchester Mall, Great Oaks Mall, Lakeside Mall, and the list goes on.

Spacious one, two, and three bedroom models suit any size of family...or single adult.

If you're interested in augmenting your social life, The Oaks at Hampton can help. The population is composed primarily of corporate and professional people. The age range is about 24 to 40 years old. You can meet these people at the clubhouse during functions sponsored by The Oaks or at parties that the residents throw during the year. If you're a senior citizen, ask about the special leasing plan offered by The Oaks. Families are welcome and accommodated with a specially designed playground for children.
