Welcome Wagon

After 3 more weeks, you'll have to wait a year for our smile now, pay later, save \$1,000 plan.

You only have until Feb. 20th to take advantage of our Second Annual Smile Now, Pay Later and Save \$1,000 plan. What a plan, and what a hit!

And why not? When you can save \$1,000 (based on average orthodontic fees) for our complete orthodontic care program; consultation, braces, retainers, the whole works, it's a savings everyone needing braces should take advantage of, sooner or later.

But when you can have our plan with

no money down, and no payments until April 1st, it's something you should take advantage of, sooner.

The sooner the better. Or wait a year for our 3rd Annual Plan. And that would make Dr. Letzer very sad, because he wants the whole world to have a beautiful smile. Without paying through the nose. Right now.
