SUCCESSFUL MONEY MANAGEMENT®

LEARN TO MANAGE YOUR MONEY IN THREE EXCITING SESSIONS:

Look over the Seminar agenda. Do you need to learn more about these important topics? For instance, you will learn a proven money management technique called **repositioning**. This process is an effective way to put more of your hard-earned dollars to work for you! You will learn how to position your dollars for growth even in an up-and-down economy, and in periods of high and low inflation. **LEARN** how the new tax laws affect you and how you can reduce taxes in the future. Whether you earn \$20,000 or \$200,000, this will be an enlightening education. If you have always dreamed of financial independence you just learn the basics of personal money management. The next three-part Successful Money Management Seminar is the perfect place to "go to school."
