\$605 a month, including heat and trees.

Some people move to Knob in the Woods for the location. Some come for the Olympic pool and the club house (complete with steam room and showers). Some come for the security, or the fact that we pay the heating bill. Some come for the reasonable rents (one bedroom apartments start at just \$605 a month). Come and see what they've found—set in this unique in-town forest.
