

Now Providence Hospital gives you more ways to give birth.

More birthing options than any other hospital.

Introducing Providence Hospital's New Life Center. Suburban Detroit's newest, and we think finest, obstetrics facility. Our New Life Center gives you more birthing options, more choices, than any other area hospital.

LDR Suites, a popular choice.

Our ten LDR suites allow mothers to labor, birth and recover in one location. These private suites are a welcome departure from the traditional hospital birth experience. Beautifully decorated, each suite creates the perfect setting for you to spend time with your family and bond with your baby.

Traditional Delivery Suites.

Our new delivery suites are for mothers who wish to have the traditional birth experience or for those who may require a Cesarean delivery. Your husband, or any labor partner who has been through an approved childbirth class, may be with you in the delivery suite during labor, birth and bonding with your baby. Each of our delivery suites is state-of-the-art in every way.

High-Risk Rooms.

For women with medical problems, we have two high-risk rooms which offer specialized care during labor, birth and the early recovery period. Because we have an obstetrician in-house at all times, we can provide the

essential medical attention you need in the critical moments before your physician arrives.

Another option, the Family Birthing Center.

Our freestanding Family Birthing Center offers another alternative in the birthing experience. The only one of its kind in the state of Michigan, the Center provides a home-like setting with a staff of experienced nurses dedicated to natural birthing techniques.

Our Family Birthing Center is accredited by the National Association of Childbearing Centers and offers the advantages of a home birth. Family and friends are welcome and you can go home in just 24 hours.

Should the need arise, Neonatal Intensive Care Unit.

Our NICU has the advanced medical equipment and the sophisticated technology to care for seriously ill newborns. An obstetrician, neonatologist and perinatologist are available 24 hours a day to care for newborns with special problems.

Learn about your options. Set up a tour.

So if you're planning to have a baby, visit Providence Hospital and learn about all your options. Ask your doctor about

Providence, or give us a call at 424-3068 for a free brochure and to schedule a tour. If you don't have a physician, call Providence Hospital's physician referral service at 424-3999.
