Falcons to make state meet trip

Farmington qualified its sprint relay teams and two individuals for the girls state track-and-field meet white competing Saturday in the Class A regional at West Bloomfield.

The state meet will take place on Saturday, June 4, at Eastern Michigan University's Rynearson Stadium.

son Stadium.

The third-place Falcons also set a school record in the 800 relay in which Carrie Maler, Amy Trunk, Nicole Tocco and Angle Forge were clocked at 1:46.3.

Only the top two finishers in each event automatically qualify for the state meet, but Farmlington met the qualifying standard of 1:46.8.

MAIER AND FORGE, again running the lead-off and anchor legs, were on the 400 relay team that was fourth but also surpassed the qualifying time of 51.3. With Jo Fox and Shellf Gadl taking part, the Falcons ran a 50.9 time. Farmington's Julie Lawton got under the wire in the high jump—or over it, rather. The qualify-ing standard in that event was 54% ¼, and Lawton placed third at that height.

Jennifer Kiel had no trouble beating the established time in the 3,200 run with a fourth-place time of 11:54.0. The time to beat was 12:00.0.

"She improved her time by almost 20 seconds."
Farmington coach Bruce Brown said. "That's the first time she's been under 12 (minutes) in her life. She knew what she had to do to get in."

MAIER JUST missed going to state in the 200 dash. She was third at 26.5, but the qualifying time was 26.3.

In scoring but non-qualifying roles, Kristi Devine was 18th in the shot put and the discus, with throws of 34.2 and 110-0, respectively. Trouk was third in the shot put and the discus with throws of 34.2 and 110-0, respectively. Trouk was third in the 400 dash (1:00.7) and Fost fifth in the 100 dash. In several in 18th year, and we did real well, said Brown, whose team was fifth with 43 points.
"I think the two relay teams are legitimate. They keep getting stronger and running better times every week."

North Farmington, with two state qualifiers, was eighth in the West Bloomfield regional with
