The unique features of each of the MAPCO member campgrounds and the state parks are listed. The user can also find where to obtain other travel information about Michigan.

The directory, produced by MAPCO, which is the second largest private campground association in the U.S., is available at no charge to the camper. Copies can be obtained by writing to Michigan Travel Bureau, P.O. Box 30226, Lansing 48909, or may be picked up at many Michigan RV dealers.

Beautiful gardens sought for contest

Farmington Garden Club members begin their search for beautiful gardens and landscaped yards in the area by requesting nominations for their "Good Neighbor Garden Contest."

It is the way the club congratulates and rewards those in Farmington and Farmington Hills who take pride in their outside environment.

Nominees can nominate themselves, their neighbor, a friend, or someone they might not know personally. Nominations show appreciation of the work that has gone into a yard or a garden that gives people pleasure as they pass by.

Members said not to be hesitant

about nominating those with an apartment or condominium patio made beautiful. Those nominees won't be in competition with a homeowner who has a two-acre landscaped lawn.

Nominees are also asked to make sure permission is granted from the owner before the nomination is made.

Entries must be postmarked no later than July 9. Gardens will be judged between July 11-21. Prizes will be awarded July 23.

Official entry forms will be sent on request by calling Eileen Abbott, 626-8567.
