

Cable camera crews to record fests

Festivities, fun and frolic will keep our families in town this week. The Farmington/Farmington Hills Founders Festival and the Michigan Fifties Festival will find our camera crews scurrying around day and night.

Home video buffs, stop a moment and say hi. Any of our staff from Channel 12 will be happy to answer your questions.

July 14, under the Farmington Big Top, "Meet Your Neighbor," stop by and meet our staff and the team from our summer video camp. Let them interview you.

When you do go on vacation, remember that your home footage will make wonderful visual to add to a talk show. Get in touch and we will help you make a program around the footage. Another option would be to write a 60-second story for Tri-Outlet News.

Think creatively and keep cool.
