# NBD's Convertible A.R.M. gives you low interest rates now... 7.50%\* 10.17%\* ...and the option to convert to a Fixed Rate Mortgage later.

With a Convertible Adjustable Rate Mortgage from NBD, you start with the guaranteed low rates of an Adjustable Rate Mortgage for the first year. Then, any time during the next four years, you can convert to a fixed rate mortgage—quickly, easily.

### Take advantage of low rates now...

The NBD Convertible A.R.M. gives you interest rates significantly below current fixed rate mortgages of comparable term. Here's how it works: Your rate is set on the day your completed application is received and it's good for one year from your closing date. Then every 12 months your rate will be adjusted up or down with the market. If interest rates go down, your mortgage payments go down accordingly. If interest rates continue to rise, your payments will increase. However, to protect you from any large changes, NBD guarantees that your A.R.M. will never go up more than two percentage points annually or more than six percentage points over the initial rate for the life of your loan.

### ...Lock in a fixed rate later for only \$100.

If rates go down, or you want the security of a fixed rate mortgage, just notify our NBD Mortgage Office and they will convert your A.R.M. to a Fixed Rate Mortgage quickly, easily, and at a cost of only \$100. You can even do it through the mail! There are no title searches, no waiting, and you can convert any month between the 13th and 60th month of your loan.

### Find out more about it.

NBD's Convertible A.R.M. could help you buy more house than you thought. For more information about NBD's Convertible Adjustable Rate Mortgage, or the other loan options we have available, call or visit the NBD Mortgage Company Office nearest you.

\*These estimated annual percentage rates are subject to increase or decrease on an annual basis after the loan is closed based upon the formula set forth in the loan contract. Rates are quoted as of 7/18/88 and are subject to change without notice. Rates may vary across the state of Michigan. Contact your local NBD mortgage office. Stated reduced starting interest rate will apply only during the first year. The quoted APR is based on a typical loan; your APR may be different. NBD Mortgage Company also offers other loans with different rates.
