Sierra Condos hosting picnic

The Sierra Pointe Condominiums, most recent development of the Irvine Group, will be the site of a "Good Old Summer Picnic" Saturday and Sunday from noon to 6 p.m.

With hot air balloon, refreshments and live music, the grand opening will unveil the new Farmington Hills condo community.

Appearing as part of the weekend festivities will be One on One Health Club members who will offer tips on planning home workouts, cholesterol testing and body fat percentage testing.

Sierra Pointe is designed for

young professionals and for couples whose children no longer live at home.

Model A is a two-bedroom, one-and-a-half bathroom, 1,381-square-foot, first-floor ranch. It is highlighted by a great room and a bedroom area that could easily be converted into a den or study.

Model B is a two-story, 1,852-square-foot townhouse that combines a great room with studio ceiling, a library and an optional loft. It is a two-bedroom, two-and-a-half bathroom model with cathedral ceilings creating an open and airy atmosphere in this, the largest of the models.

Model C is a 1,813-square-foot, second floor, ranch-style home. A large master suite with a studio ceiling is included in this two-bedroom, one-and-a-half bathroom design that also offers a den. The great room features a cathedral ceiling.

Each model has a basement, a two-car attached garage and a patio or wood deck built off the kitchen area.

At 13 Mile and Halsted roads, Sierra Pointe has direct access to malls, community services, recreation areas, hospitals and school systems.
