

We can help make sure your child's college education isn't out of reach.

Standard Federal and the Michigan Education Trust!

Loan applications to fund MET deposits being taken beginning August 22 at all branch offices.

Your child's tuition can be affordable, thanks to the Michigan Education Trust (MET). And at Standard Federal Bank, not only can you pay for your MET contract, but beginning August 22, you can apply for a loan to finance it, too. That way, you can participate in MET even if you don't have the cash right now. We even offer special savings programs, so you can be ready for other college expenses like room and board. To put it simply, Standard Federal wants to see that your child's college education is well within reach.

We focus on performance.
