little tighter group, but the humidity was tough."

Farmington's five finishers included Brad Moore (ninth), Ben Goka (13th), Greg Endres (15th), Mark Mitchell (23rd) and Paul Brandt (32nd).

"Our kids are not experienced running up front because of some of the kids we've had in the past," Young said. "But this meet will give us confidence."

Knowing the rules beforehand, Hayes was not at all upset with the

outcome.

Three good kids to graduation, including Jay Swiecki (an All-Area barrier), he said. "I told our team we'd be in there. I can't be anything but happy. It's a nice group of kids."

CANTON was led by Brian Beach, who finished fifth overall. He had made great strides since taking ninth in last year's JV race.

"He (Beach) just asked me what he had to do to improve and he's done it," said the Canton coach.

The Chiefs also got a 16th from sophomore Mike Ream, a 19th from

Brian Callon, a 24th from Jim Gallagher and a 27th from Matt Hall.

"I'm happy because a guy like Ream has just come out of nowhere," Hayes said.

While there was recalculation of the team standings, it was no contest because the meet's best individual is one of the state's premier long-distance runners: Brian Grosso of Walled Lake Western. He burned up the course with a time of 15:09.6, finishing comfortably ahead of Walled Lake Central's Mark Kwiatkowski (16:06.9). Nov's Rob Rasmussen (16:19.0) and Wayne Memorial's Dave Richards (16:23.2).

Falcons city champs

Not quite halfway through the season, Farmington already has accomplished one third of its season goals.

The Falcons claimed the mythical Farmington city championship Monday, defeating Farmington Harrison 2-0 in a Western Lakes Activities Association boys soccer game.

Farmington, 5-1-1 overall, defeated North Farmington previously. "It's a great feeling," said coach Cathy Cole, who last year guided North. "It was our first goal; the second is to win more games than last year (seven), and our third is to do well in the state tournament."

Chris Johnston opened the scoring with a minute left in the first half. Pete Frauenheim scored for Farmington at the 15-minute mark of the second half.

Frauenheim and Scott Seabolt were credited with one assist each. Cole split the goalkeeping duties between starter Greg Bjedov and Mike Sheehy. The two combined to make seven saves.

CHURCHILL, S. N. FARMINGTON 2: Livonia Churchill scored three unanswered goals in the second half Monday, lifting the Chargers to a 5-2 win over the stubborn Raiders.

The loss left North at 0-4-1 overall, 0-2-1 in the Western Lakes Activities Association.

Paul Kaliszewski's goal with 18 minutes left in the game broke a 2-2 tie. Churchill's John Gentile, who scored twice, and Mike Gentile added two goals in the final 10 minutes.

North twice led by one goal, only to have Churchill come back.

North's Roy Otan opened the scoring in the first half, converting a pass on a free kick from Pete Keller. The score was knotted at halftime, 1-1, on a goal by Churchill's John Gentile.

The Raiders' Tim McMinn again gave North a lead, scoring two minutes into the second half. Churchill responded with a goal by Darin Boden at the 53-minute mark.

"We made some mistakes, but nothing we can't fix," North coach Jim Duggan said. "Defender John Houser played an outstanding game. I am really happy with the effort of the whole team. They have made a commitment to improve and they are fulfilling that commitment."

Another team to watch this fall, RU, where coach Bob Ouellette's team has taken giant steps.

The Panthers received their best finish since 1983 as Lizzy Mockridge was fifth, followed Michelle Daraban (12th), Kelly Murray (21st), Tracey James (22nd) and Kim Lazarr (48th).
