Tuesdays at Noon Southfield Presbyterian Church

Southfield Presbyterian Church invites you to join with others from the Southfield business community and local neighborhoods for a few minutes of quiet meditation and a brief workshop service led by Dr. Paul H. Syton, Pastor.

Try a different kind of lunch break every Tuesday, where peace of mind and renewal of spirit can replace the restaurant rush or a quick sandwich at your desk.

A light lunch will be served following the service so you can be back at work in an hour. Come for a time of worship and say for lunch if you wish.

Jaycees plan haunted house

The Farmington Area Jaycees will, once again this year, make Farmington a haunted place.

The community group is planning to host its annual "Haunted House" in the basement of the old winery building on Grand River just west of Orchard Lake Road. The city council recently granted a permit for the event.

The event is scheduled to be open

nightly Oct. 20-30.

Organizer Matthew Ratliff said there will be parking attendants on duty to aid visitors and that the entry and exit to the "Haunted House" will be at the rear of the building. The permit was granted subject to the group's compliance with building and fire regulations and adequate insurance coverage.
