STRAIGHT Talk About Kids, Drugs, and Families

The Farmington Hills Church of Christ, located on Eleven Mile Road, between Drake and Halstead, will host a presentation from the Community Services Department of STRAIGHT, INC., on Wednesday, October 5, 1988, at 7:30 P.M. The public is cordially invited to this open discussion designed to raise awareness about drug use among adolescents, provide parents some tools to recognize and fight drug use problems in the family, and suggest possible approaches to prevention of future drug use.

PARENTS, don't be frightened by the adolescent drug problem! BE ENRAGED, BE AN ACTIVIST AGAINST IT, BE EDUCATED...but don't be frightened! Parents of pre-teens, it is not too soon to get educated and involved. The drug use problem has no racial, economic, racial, or religious barriers, it is even in your community. Let this one-hour program help you to protect your children and family from a potentially devastating problem.
