THE INNOVATIVE LINE OF INSULATED WINDOWS AND DOORS.

THE PATIO DOOR FOR THE TIMES.

PEACHTREE'S Prado the new insulated swinging patio door that
gives people exactly what they want and need today. People want classic
beauty and quality manufacture. They want more insulation. More weather-
tightness. More security. PRADO is the only swinging patio door that
provides all of these benefits.

PRADO doors are available in two heights and three panel widths in as
many multiples as desired. They are beautiful additions to new houses and
are your best choice for replacing worn sliding glass doors. Available options
include Low E insulated glass and a choice of hardware.

WINDOW TO THE FUTURE.

PEACHTREE'S Ariel insulated wood casement window is made as no
other. It features a slimmer, more beautiful wood interior and a heavy-gauge,
tubular aluminum exterior. The waterproof, weather-proof exterior solves
the problems of wood cracking, warping and rotting. Problems that cladding
just compensates for. The window is extremely weathertight and for added
energy efficiency tinted and Low E glass are available.

The exterior is virtually maintenance free. Driftwood, Colonial White and
Nature Brown enamel finishes are available at no extra cost. Peachtree's Ariel
is a complete line of advanced windows. Call or write for details.
