Downtown tour

Corporate executives, managers and editors of the Observer & Eccentric Newspapers, which publishes the Farmington Observer, toured Farmington and Farmington Hills. The morning bus tour included a walking tour of Farmington's central business district led by Downtown Development Authority execu-

tive director Wendy Strip Sittsamer (foreground, left). While standing on Grand River in front of the Civic Theatre, O&E publisher Philip Power (foreground, right) points out for Farmington Observer editor Bob Bklar where O&E classified advertising offices used to be located next to Pictures and More!
