

Some people can't get along without their gadgets.

High-tech roller skates

All-terrain vehicle

Mobile cellular phone

Some are fun. Some are useful. And other gadgets are just plain essential. When you contribute to the United Foundation, two of the many programs you help support are research and therapy at Detroit Institute for Children. As well as 154 agencies that

help treat the handicapped, prevent child abuse, assist the elderly and just give some people a new start in life. So give generously to the Torch Drive. It could be a step in the right direction.

Give, for all the good you can do.
