

EARTHQUAKE

The disastrous earthquake which struck Armenia has devastated the country. Over 60,000 have died, tens of thousands are injured, and over half a million have been left without medical attention, clothing and shelter.

Unless more help is received immediately, thousands of others are doomed to die.

The outpouring of international sympathy and help has been an encouragement to the survivors and a comfort to the bereaved.

Further aid is urgently needed. Help alleviate the misery and suffering by contributing to the earthquake fund.
