Center's new calendar celebrates anniversary

The St. Vincent and Sarah Fisher Center of Farmington Hills is offering a commemorative calendar in recognition of its 60th anniversary of service to children.

Carrying the theme "Sixty Years of Celebrating the Child," the 1989 commemorative calendar sells for \$30. The drawings on the commemorative calendar have been reproduced from the pencil sketches of local artists Ronald Scarborough and Janet Anderson and were created especially for the center. They have been printed on acid-free paper to ensure quality for framing. All proceeds from the sale of these calendars will be used to benefit the children of the center.

The center serves emotionally disturbed children and their families, as well as young single parents, through its six different programs. For purchases, contact Sr. Mary Frances at 626-7527.
