## The Modern Way To Look At Value.

A simple, straightforward style for the  
contemporary bedroom.

Scandinavian settlers in America brought with them an appreciation for subtlety in the design of their furniture as well as function as an art form. Smooth, straight lines reign where heavy ornamentation once ruled. Thomasville celebrates the merging of Scandinavian and American influences in the creation of Affinity, a bedroom and occasional collection.

Affinity presents the deep texture of red oak solids and knotty oak veneers, hand-rubbed to a soft patina with a special finish called "Flax," a rich honey tone. Finger-tip pulls are hidden beneath the handsome molding that frames each door and drawer, maintaining the integrity of the straight lines.

Bring Affinity into your home and discover for yourself the Scandinavian appreciation for true simplicity.
