

### University receives gift

The oil painting "Temptation of Santo Rita" by Colombian artist Fernando Botero, valued at \$90,000, was recently given, in part, to Oakland University by Dr. George Brewer of Birmingham. The painting, being given over a period of time, is in a highly identifiable style. Botero depicts obese exaggerated human forms often in elaborately decorative, colorful South American peasant costumes or as almost humorous pneumatic nudes. This one is 42 by 38 inches.
