

Lafayette String Quartet is in residence at Oakland University and Center for Creative Studies

Quartet to play at OU Sunday

The final concert of the season by the Lafayette String Quartet at Oakland University will be held at 3 p.m. Sunday at Varner Recital Hall. The program will feature the Quartet in C Major, Op. 29 No. 2 by Haydn, the Quartet No. 3 by Alban Berg and the Quartet in G Minor, Op. 59, No. 2 by Beethoven.

The Beethoven quartet is the one the Lafayette String Quartet learned for the Borciani competition in Italy, but has not performed locally. For the Berg piece, the musicians were coached by the Alban Berg Quartet in Germany.

The Lafayette String Quartet will perform at 8 p.m. Friday, March 10, at the University of Michigan Museum of Art, 525 S. State, Ann Arbor.

On that program they will play the Mozart Quartet in C, K. 465 ("the dissonant"), the Debussy Quartet Opus 10 and the Michigan premiere of a work for quartet, tenor and piano, "Through this Vale of Tears" by American composer, David Baker. The composer will be present. Tenor Gregory Broughton and pianist Kim-cherie Lloyd will be the guest artists.

The Quartet will give a concert at

7:30 p.m. Sunday, April 23 at Orchestra Hall in Detroit. Concerts are scheduled for Calgary, Alberta; Hilton Head, S.C.; and Hollywood. In January 1990, the Quartet will make its New York City debut at the Frick Museum.

Quartet members are Ann Elliott-Goldschmidt and Sharon Stanis, violins; Joanna Hood, viola; and Pamela Highbaugh, cello. For ticket information on the Oakland University concert, call Center for the Arts box office, 370-3013.

GET OUT OF THE DARK.

Open your eyes and see just how many subjects are covered in the new edition of the Consumer Information Guide. It's here just for the asking and so are nearly half a million federal public programs that make a difference on subjects like financial and career planning, eating right, exercising, and staying healthy, housing and child care, federal benefit programs. Just about everything you would need to know. Write today.
