

# !!**I**NSPECT WHAT YOU EXPECT"!!...

a premise on which Bud Chamberlain has built this successful organization. When selling your home don't take anything for granted. Compare and see for yourself what we are all about. Our sales associates are all professionals.

We encourage and welcome your inspection of our sales team. Know what you're getting.  
**CHAMBERLAIN, REALTORS**  
 is not a franchise,  
 therefore the whole team  
 works for you.

To illustrate "Inspect What You Expect", I believe prospective sellers would be well advised to investigate and see what they expect from the real estate sales organization they plan to retain... before they list their home "for sale." Examine the entire real estate office, not just an individual REALTOR, note the location and its ability to attract potential buyers. Don't be surprised! "Inspect What You Expect" **FIRST!** My point... inspect our offices... before you\* sell your home.
